- Places for pool play and round robin will be determined by Win/Loss record. Tie breakers are as follows:
 1. Head to Head result
 2. Total Points allowed in all games (lower is better)
 3. Total winning point margin minus total losing point margin
 4. Flip a coin (two out of three times)**If more than two teams are tied, tie breakers will reset each time a tie is broken. For example: 3 teams (A, B, & C) are tied at 1-1 and Head to Head does not resolve tie, but Total points allowed puts Team A in first. To resolve B & C tie breakers reset back to Head to Head and proceed through the list.*
